Amendment to the Prospectus

Terms not specifically defined herein shall have the same meaning as in the articles of incorporation (the "**Articles**") and in the latest Prospectus.

Luxembourg, May 22nd, 2026

Dear Shareholders,

The board of directors of the Company (the "**Board**") has decided to update the expected and maximum levels of securities lending, entered into by the sub-funds listed under Appendix 1 (the "**Sub-Funds**"), in the Prospectus (the "**Update**").

The Update notably aims to better reflect the levels of securities lending expected to be entered into by the Sub-Funds while enabling the Sub-Funds to benefit from market opportunities without exceeding the increased maximum levels of securities lending disclosed in the Prospectus.

Importantly, the Update does not represent a change to the investment objective, nor to the investment policy of the Sub-Funds. The other characteristics of the Sub-Funds remain unchanged.

Following the implementation of the Update, the Prospectus will be amended accordingly.

- **In case where the Shareholders do not agree with the changes, the Shareholders who usually subscribe or redeem Shares in the Sub-Funds on the primary market may redeem their Shares without fee (except for the fees acquired by the Sub-Funds to prevent dilution of shareholders investment), during a period of one month as from the date of this notice which is only notified on the Company's website dedicated to shareholders notices as permitted by the Prospectus.**
- **We draw Shareholders' attention to the fact that if the Sub-Funds' Shares are sold on a market or exchange, the Shareholders may be charged broker fees on to the sale of (a) Share(s) in the Sub-Fund.**
- **In case where the Shareholders agree with the changes, no action is required from the Shareholders.**

The updated Prospectus will be made available by the Management Company upon request and on the following website: www.amundi.com and www.amundiief.com on or around the date of the next Prospectus.

Yours sincerely,

The Board
