### AMUNDI S.F. - EURO CURVE 10+YEAR - A EUR AD A Sub-Fund of AMUNDI S.F.

ISIN code: (D) LU0281585215

Management Company: Amundi Luxembourg SA

#### Objectives and Investment Policy

Seeks to increase the value of your investment over the recommended holding period.

The Sub-Fund invests mainly in euro denominated bonds. These bonds may be issued by governments, supranational and municipal entities and are due to be paid off in 10 years or more. The Sub-Fund may use derivatives to reduce various risks, for efficient portfolio management or as a way to gain exposure to various assets, markets or income streams.

**Benchmark :** The Sub-Fund is actively managed and seeks to outperform the JP Morgan GBI EMU 10+ Yrs Index. The Sub-Fund is predominantly exposed to the issuers of the benchmark, however, the management of the Sub-Fund is discretionary, and will invest in issuers not included in the Benchmark. The Sub-Fund monitors risk exposure in relation to the benchmark and the extent of deviation from the benchmark is expected to be limited, whilst, at the same time, the manager seeks to generate excess return through managing specific overlay strategies.

**Management Process :** The Sub-Fund integrates Sustainability Factors in its investment process and takes into account principal adverse impacts of investment decisions on Sustainability Factors as outlined in more detail in section "Sustainable Investment" of the Prospectus.

The investment manager constructs a portfolio with similar risks to the benchmark, then uses a risk-managed approach to identify investment strategies, in particular, those associated with core rates, thematic opportunities, relative interest rates and inflation, that may help the Sub-Fund outperform the benchmark.

The distribution unit pays dividends annually.

The minimum recommended holding term is 4 years.

Investors may sell on demand on any business day in Luxembourg.

- Operational risk: this is the risk of default or error within the different service providers involved in managing and valuing your portfolio.
