

Key Investor Information

This document provides you with key investor information about this Sub-Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Sub-Fund. You are advised to read it so you can make an informed decision about whether to invest.

AMUNDI FUND SOLUTIONS - BALANCED - C EUR A Sub-Fund of the SICAV AMUNDI FUND SOLUTIONS

ISIN code: (A) LU1121646852

This UCITS has appointed Amundi Luxembourg SA, an entity part of Amundi group, as its Management Company

Objectives and Investment Policy

The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

The Sub-Fund seeks to achieve capital appreciation and income over the recommended holding period by investing in a diversified portfolio of the permissible instruments described below.

The Sub-Fund invests primarily in open-ended UCIs and UCITS pursuing a diverse range of investment strategies. The Sub-Fund may also invest in equities and equity linked instruments, Money-Market Instruments, debt and debt-related instruments (including convertible bonds and bonds cum warrants), deposits subject to call with a maximum term of 12 months, and interest-rate certificates. The Sub-Fund may invest up to 65% of its assets in equities (either directly or indirectly through open-ended UCITS or UCI). The Sub-Fund may seek exposure to commodities and real estate through investment in eligible transferable securities, indices and other liquid financial assets (either directly or indirectly through open-ended UCITS or UCI). The Sub-Fund may invest up to 20% of its assets in eligible commodity-index certificates. The Sub-Fund may also invest in UCITS or UCIs following alternative strategies.

Benchmark : The Sub-Fund is actively managed. The 50% Bloomberg Barclays Global Aggregate Index / 50% MSCI AC World Index serves as a reference benchmark for calculating and monitoring the Sub-Fund's relative Value-at Risk. There are no constraints relative to this benchmark restraining portfolio construction and the extent of deviation from such index is expected to be significant. Further the Sub-Fund has not designated the Benchmark as a reference benchmark for the purpose of the Disclosure Regulation.

Management Process :

The Sub-Fund integrates Sustainability Factors in its investment process and considers principle adverse impacts. When investing in third party managers it does consider principal adverse impacts of investment decisions on Sustainability Factors as long as information is available as outlined in more detail in section "Sustainable Investment" of the Prospectus save that the Amundi ESG scoring methodology described in that section is extended to any underlying UCITS and UCIs. Further, the Sub-Fund seeks to achieve an ESG score of its portfolio greater than that of the investment universe. The aggregate ESG score and rating (A to G - as detailed in section "Sustainable Investment" of the Prospectus) for the Sub-Fund (using the weighted average ESG score of underlying UCITS/UCIs and other securities) is compared with the ESG rating of its investment universe.

This is a non-distributing share class. Investment income is re-invested.

The minimum recommended holding term is 4 years.

Investors may sell on demand on any business day in Luxembourg.

Risk and Reward Profile

The risk level of this Sub-Fund reflects the risk of its allocation, which is exposed to the bond market and the equity market in roughly equal proportions.

Historical data may not be a reliable indication for the future.

Risk category shown is not guaranteed and may shift over time.

The lowest category does not mean 'risk free'.

Your initial investment does not benefit from any guarantee or protection.

For un-hedged currency classes, exchange rate movements may affect the risk indicator where the currency of the underlying investments differs from the currency of the share class.

Important risks materially relevant to the Sub-Fund which are not adequately captured by the indicator:

- Credit risk: represents the risks associated with an issuer's sudden downgrading of its signature's quality or its default.
- Liquidity risk: in case of low trading volume on financial markets, any buy or sell trade on these markets may lead to important market variations/fluctuations that may impact your portfolio valuation.
- Counterparty risk: represents the risk of default of a market participant to fulfil its contractual obligations vis-à-vis your portfolio.
- Operational risk: this is the risk of default or error within the different service providers involved in managing and valuing your portfolio.

The use of complex products such as financial derivative instruments might increase market movements in your portfolio.

The occurrence of any of these risks may have an impact on the net asset value of your portfolio.

Charges

The charges you pay are used to pay the costs of running the Sub-Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

Entry charge*	1.00%
Exit charge	None
Conversion charge	None

This is the maximum that might be taken out of your money before the proceeds of your investment are paid out.

Charges taken from the Sub-Fund over a year

Ongoing charges	2.89%

Charges taken from the Sub-Fund under certain specific conditions

Performance fee	None
------------------------	------

The **entry** and **conversion charges** shown are maximum figures. In some cases you might pay less - you can find this out from your financial adviser.

*The entry charge, which is deferred for this share class, reduces to zero over a one year period from Launch Date, and is only payable when an investor sells within that period.

The **ongoing charges** figure is based on expenses for the year ending December 31, 2021. This figure may vary from year to year. It excludes:

- Performance fees,
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Sub-Fund when buying or selling units in another collective investment undertaking.

For more information about charges, please see charges paragraph of the prospectus of the UCITS, which is available at: www.amundi.lu/amundi-funds.
