This UCITS has appointed Amundi Luxembourg SA, an entity part of Amundi group, as its Management Company

Objectives and Investment Policy

The objective of this Sub-Fund is to achieve income and as a secondary objective capital appreciation over the recommended holding period by investing mainly in a diversified portfolio of sub-Investment Grade or Investment Grade corporate debt and debt-related instruments, or debt and debt-related instruments issued by any government, supranational bodies, local authorities or international public bodies, Money Market Instruments and cash denominated in Euro, GBP and US dollar. The Sub-Fund will seek to hedge back to Euro the currency exposure from investment in instruments not denominated in Euro.

The Sub-Fund may invest up to 50% of its assets in Emerging Markets.

The Sub-Fund's investments may include, but are not limited to, subordinated bonds, senior bonds, preferred securities and convertible securities.

The Sub-Fund's investments may include contingent convertible bonds up to 10% of its assets and corporate hybrid bonds up to 20% of its assets. The Sub-Fund may invest up to 20% of its assets in callable bonds maturing after the Maturity Date, provided they have a first call date before the Maturity Date.

The Sub-Fund may use derivatives to reduce various risks, for efficient portfolio management and as a way to gain exposure to various assets, markets or income streams.

The Sub-Fund may also invest up to 10% of its assets in other UCIs and UCITS.

Investors should be aware of the increased risks of investing in Emerging Markets and sub-Investment Grade securities as outlined in the Special Risk Considerations section at the end of the Prospectus.

The initial subscription period of the Sub-Fund will end on 10th January 2020. The Sub-Fund matures on 13th January 2025 (the "Maturity Date") when the Sub-Fund will be liquidated and the net proceeds of liquidation will be distributed among shareholders.

The distribution share pays dividends annually.

The minimum recommended holding term is 5 years.

Shares may be sold or redeemed on any business day in Luxembourg.

Risk and Reward Profile

The above risk indicator ranks potential risk and reward and is based on medium-term volatility (how sharply the Sub-Funds actual or estimated share price has gone up and down over five years).

Historical data may not be a reliable indication for the future.

Risk category shown is not guaranteed and may shift over time.

The lowest category does not mean 'risk free'.

Your initial investment does not benefit from any guarantee or protection.

For un-hedged currency classes, exchange rate movements may affect the risk indicator where the currency of the underlying investments differs from the currency of the share class.

Important risks materially relevant to the Sub-Fund which are not adequately captured by the indicator:

- Credit risk: The issuers of bonds held by the Sub-Fund may fail to pay principal or interest due.

- Liquidity risk: In adverse market conditions, securities that are liquid may become difficult to value, buy or sell, which could affect the Sub-Fund's ability to process redemption requests.
- Counterparty risk: Contract parties may default on their obligations under derivatives contracts entered into with the Sub-Fund.
- Operational risk: Losses may occur due to human error or omission, process errors, system disruptions or external events. The Sub-Fund invests in other funds and may be indirectly exposed to a default by the depositary of an underlying fund.
- Derivatives risk : Derivatives create leverage in the Sub-Fund and may cause movements in the value of the underlying investments to amplify gains or losses to the Sub-Fund.
- Emerging Markets risk : Some of the countries invested in may carry higher political, legal, economic and liquidity risks than investments in more developed countries.

The occurrence of any of these risks may have an impact on the net asset value of your portfolio.
