FCH UBS European Opportunity Sustainable Equity - A EUR A Sub-Fund of the SICAV Fund Channel Investment Partners

ISIN code: (A) LU2351331645

This UCITS has appointed Amundi Luxembourg SA, an entity part of Amundi group, as its Management Company

Objectives and Investment Policy

The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

To exploit attractive return opportunities while keeping the level of risk under control by investing in selected equities of various European countries and sectors.

The sub-fund invests mainly in equity or equity-linked instruments (including up to 10% of its assets in ADR/GDR) of large companies that are based in, or do most of their business in Europe.

The sub-fund may also invest up to 10% of its assets (directly or indirectly via units/shares of UCITS) in small or mid cap companies that are based in, or do most of their business in in the same countries.

The sub-fund may also invest in up to 10% in closed-ended REITS.

The sub-fund may also hold cash or cash equivalent instruments on an ancillary basis.

If the investment manager considers this to be in the best interest of the shareholders, on a temporary basis and for defensive purposes, the sub-fund may also hold up to 100% of its net assets in liquidities as among others cash deposits, money market UCITS (within the below-mentioned 10% limit) and money market instruments.

The sub-fund may invest up to 10% of its assets in units/shares of UCITS.

Benchmark : MSCI Europe (net div. reinvested). The sub-fund is actively managed by reference to and seeks to outperform the benchmark. The sub-fund is mainly exposed to the issuers of the benchmark, however, the management of the sub-fund is discretionary, and will be exposed to issuers not included in the benchmark. The sub-fund monitors risk exposure in relation to the Benchmark however the extent of deviation from the benchmark is expected to be significant.

Management Process : The Sub-Fund integrates Sustainability Factors in its investment process as outlined in more detail in section "Sustainable Investment" of the Prospectus. The investment manager selects companies of which the portfolio is constituted on the basis of criteria such as their environmental profile, an above-average commitment to social and environmental issues compared to other firms and a distinct corporate governance approach. The sub-fund does not invest directly in companies generating a substantial part of their revenues from the production of tobacco, adult entertainment, coal or energy from coal-fired power stations.

The sub-fund's sustainability profile is based on the sum of all individual investments. The objective of the investment process is to select companies with an appropriate environmental profile, an above-average commitment to social and environmental issues versus other firms, and a more progressive corporate governance approach. The fundamental analysis of sustainability/ESG criteria may include various aspects of a company, such as its carbon footprint, employee health and well-being, management of the value chain, equitable treatment of clients and governance procedures. For further information about the investment manager's sustainability policy and the way environmental or social characteristics are assessed, go to: <https://www.ubs.com/global/en/asset-management/investment-capabilities/sustainability.html>

The accumulation share automatically retains, and re-invests, all attributable income within the Sub-Fund; thereby accumulating value in the price of the accumulation shares.

The minimum recommended holding term is 5 years.

Shares may be sold or redeemed (and/or converted) on any dealing day (except otherwise stated in the prospectus) at the respective dealing price (net asset value) in accordance with the articles of incorporation. Further details are provided in the prospectus of the UCITS.
