FCH Loomis Sayles US Growth Equity - A USD AD A Sub-Fund of the SICAV Fund Channel Investment Partners

ISIN code: (D) LU2423583843

This UCITS has appointed Amundi Luxembourg SA, an entity part of Amundi group, as its Management Company

Objectives and Investment Policy

The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

To provide long-term growth of capital through an investment process that systematically includes ESG considerations.

The sub-fund invests at least 80% of its net assets in U.S. equity securities of U.S. companies. The sub-fund focuses on stocks of large capitalisation companies, but the sub-fund may invest in companies of any size.

The sub-fund may invest a maximum of 20% of its net assets in other securities than those described above, including equity-linked notes and convertible bonds issued by U.S. companies. In the same maximum limit, the sub-fund may invest in common stocks, preferred stocks, equity-linked notes, convertible bonds and other equity-linked instruments issued by non-U.S. companies traded on non-U.S. exchanges and certain eligible China A-shares via the Shanghai-Hong Kong Stock Connect and the Shenzhen-Hong Kong Stock Connect.

The sub-fund may also invest up to 20% of its net assets in each ADR/GDR and REITS.

The sub-fund may use derivatives for hedging purposes.

Benchmark : S&P 500 Index

The sub-fund is actively managed. The sub-fund may use the benchmark a posteriori as an indicator for assessing the sub-fund's performance. There are no constraints in relation to any such benchmark restraining portfolio construction.

Management Process : The Sub-Fund integrates Sustainability Factors in its investment process as outlined in more detail in section "Sustainable Investment" of the Prospectus. The sub-fund is actively managed and normally invests across a wide range of sectors and industries. The investment manager employs a growth style of equity management that emphasises companies with sustainable competitive advantages, long-term structural growth drivers, attractive cash flow returns on invested capital, and management teams focused on creating long-term shareholder value.

As a key component of the sub-fund's investment process, the investment manager conducts a non-financial analysis on at least 90% of the sub-fund's net assets on an ongoing basis.

The investment manager selects securities based on its conviction through a proprietary seven-step research framework structured around three key criteria: quality, growth and valuation. ESG considerations are integrated at each step of the investment manager's process.

The investment manager excludes direct investments in issuers (i) deriving any portion of their total revenue from the production or distribution of thermal coal, cluster munitions, biological weapons, chemical weapons and (ii) deriving any portion of their total revenue from the production of and more than 20% of their total revenue from the distribution of tobacco products and civilian firearms.

Further information about the investment manager's sustainability policy and the way environmental or social characteristics are assessed is available at: https://www.amundi.lu/professional/ezjscore/call/ezjscamundibuzz::sfForwardFront::paramsList=service=ProxyGedApi&routeId=_dl_1134fa5b-30bd-472f-befc-dd726f0e13cc_download

The distribution share pays dividends in September of each year.

The minimum recommended holding term is 5 years.

Shares may be sold or redeemed (and/or converted) on any dealing day (except otherwise stated in the prospectus) at the respective dealing price (net asset value) in accordance with the articles of incorporation. Further details are provided in the prospectus of the UCITS.

Risk and Reward Profile

The risk level of this Sub-Fund mainly reflects the market risk arising from investments in US equities.

Historical data may not be a reliable indication for the future.

Risk category shown is not guaranteed and may shift over time.

The lowest category does not mean 'risk free'.

Your initial investment does not benefit from any guarantee or protection.

Important risks materially relevant to the Sub-Fund which are not adequately captured by the indicator:

- Credit risk: represents the risks associated with an issuer's sudden downgrading of its signature's quality or its default.
- Liquidity risk: in case of low trading volume on financial markets, any buy or sell trade on these markets may lead to important market variations/fluctuations that may impact your portfolio valuation.
- Counterparty risk: represents the risk of default of a market participant to fulfil its contractual obligations vis-à-vis your portfolio.
- Operational risk: this is the risk of default or error within the different service providers involved in managing and valuing your portfolio.

The occurrence of any of these risks may have an impact on the net asset value of your portfolio.
