FCH Morgan Stanley Sustainable Euro Strategic Bond - CA SELECTION U EUR A Sub-Fund of the SICAV Fund Channel Investment Partners

ISIN code: (A) LU246222238

This UCITS has appointed Amundi Luxembourg SA, an entity part of Amundi group, as its Management Company

Objectives and Investment Policy

To provide an attractive rate of relative return, measured in Euro, by investing in securities that meet the Investment Manager's Fixed Income Securities' ESG criteria while integrating ESG characteristics by screening out sectors and issuers with low overall sustainability scores, and maintaining a lower carbon footprint than the corporate bond component of the benchmark, taking into account the long-term global warming objectives of the Paris Agreement.

The sub-fund will invest mainly in issues of Euro denominated fixed income securities (e.g. Bonds) which may be of any credit quality taking into account a minimum rating of B- at the moment of purchase. No more than 20% of the sub-fund's assets may be invested in Asset Backed Securities and Mortgage Backed Securities (ABS/MBS).

The sub-fund may, on an ancillary basis, invest in non-Euro denominated fixed income securities and in perpetual bonds. The sub-fund may invest up to 20% of its assets in Cocos and up to 10% in other convertible bonds and in fixed income securities acquired on the China Interbank Bond Market through Bond connect. No more than 5% of the sub-fund's assets will be invested in such securities. The sub-fund may invest up to 10% of its assets in units/shares of UCITS.

The sub-fund may use derivatives for gaining exposure, hedging purposes and for efficient portfolio management.

Benchmark : Barclays Euro Aggregate Index. The sub-fund is actively managed by reference to and seeks to outperform the benchmark. The sub-fund is mainly exposed to the issuers of the benchmark, however, the management of the sub-fund is discretionary, and will be exposed to issuers not included in the benchmark. The sub-fund monitors risk exposure in relation to the benchmark however the extent of deviation from the benchmark is expected to be significant.

Management Process : The investment process combines a top-down macroeconomic assessment with rigorous bottom-up fundamental analysis.

The sub-fund has sustainable investment as its objective in accordance with article 9 of SFDR.

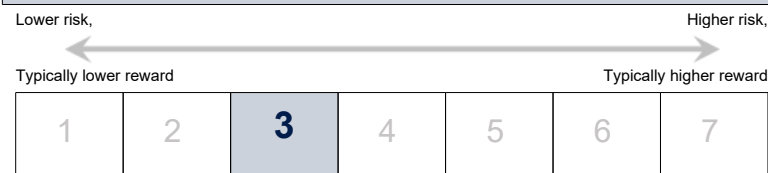

The investment manager, integrates the consideration of sustainable themes and ESG issues in its investment decision-making on a discretionary basis, may include evaluation of positive and negative contributions towards the UN Sustainable Development Goals and may engage company management around corporate governance practices as well as what it deems to be materially important environmental and/or social issues facing a company. Investments shall not knowingly include any company whose business activity involves the following activities: manufacturing or production of - controversial weapons;- civilian firearms and tobacco. The positive screening process and methodology is available on the following website: <https://www.morganstanley.com/im/en-gb/institutional-investor/about-us/sustainable-investing.html>.

The accumulation share automatically retains, and re-invests, all attributable income within the Sub-Fund; thereby accumulating value in the price of the accumulation shares.

The minimum recommended holding term is 3 years.

Shares may be sold or redeemed (and/or converted) on any dealing day (except otherwise stated in the prospectus) at the respective dealing price (net asset value) in accordance with the articles of incorporation. Further details are provided in the prospectus of the UCITS.
